World Book Day 2025

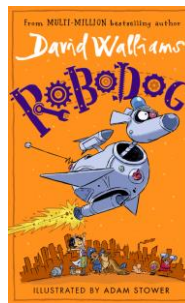

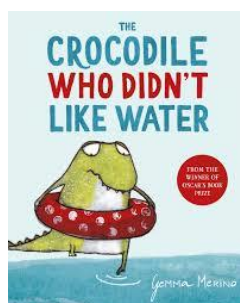

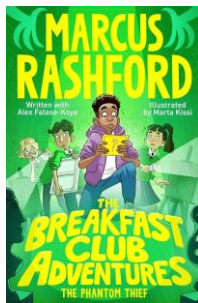

Dear Parents/Carers,

On Thursday 6th March, we will be celebrating World Book Day!

As always, we strive to promote a love of reading through 'World Book Day' and this year we are also asking the children to be thinking about their 'Spoken Language.' During the day the children will have the opportunity to read and share their own story books from home or school with each other. They will be encouraged to talk about what they have read, share the reasons why they have enjoyed reading the book and talk about reading within their classrooms. In school, as well as celebrating reading, we will be thinking about the following areas of spoken language.

Listening and Responding
Questioning
Oral Rehearsal/Presenting
Vocabulary
Talking with others

If your child would like, they can also come to school dressed as a book character. Please don't feel you need to purchase expensive dressing up costumes. A simple white T-shirt which has been decorated, an adapted outfit or even the simplest of modifications to something you have already is fine. Alternatively, they can come to school in their normal school uniform.

Kind regards,
The Literacy Team
