Dear Parents/Carers

YEAR 6 SATS

This year's SATs will take place from **Monday, 11th to Friday, 15th May.**

This is a very important week in your child's school year. I would ask that you do not request any holiday leave during this week and do not make any unavoidable appointments for your child, e.g. dentist, during school time.

I hope you will help to ensure that your child is present at school every day that week.

Thank you for your co-operation.

Robert Staples
