Dear Parents/Carers

### Re: Money Week

Next week is Fairlands Money Week.

Throughout the week, children will be learning about spending, saving, budgeting, charity and the importance of money.

The children will also be coming up with their own 'money making ideas'.

On Thursday 8<sup>th</sup> October, in the Upper Hall from 3.30 – 4.00 pm, each year group will have a stall set up. Everything on the stall will cost 50p. Each child is invited, with their parents to bring in one 50p piece only, to spend **on one stall only** at the event. The winning year group will be the one that makes the most profit.

We hope that you will be able to support this event and look forward to seeing you all next Thursday.

Miss M Bridge  
Assistant Headteacher
