Dear Parents/ Carers

### **Nursery to Reception Transition Afternoon**

This **Thursday, 8<sup>th</sup> July**, all nursery children are invited to spend the afternoon meeting their new teacher. They will spend the time in their new classroom getting to know more about Reception and they will spend time with their new teacher and teaching assistant. They will have the opportunity to practice lining up in the playground, visit the dining hall and discuss their feelings about the transition.

### **There will be no *morning* session on Thursday**

Please take your child to the nursery door at 12.30. They will register in the nursery before going to their new classroom. They will then be taken back to the nursery for collection at the end of the day (3.10-3.30pm.)

We look forward to meeting our new classes.
