4<sup>th</sup> February 2011

Dear Parents/Carers

**Re: E Safety Week**

Next week (beginning 7<sup>th</sup> February) is National E-safety week. As part of this, children will be learning all about how to be safe when using computers and the internet. We have managed to arrange for a Police Community Support Officer to run an event for parents to raise awareness of how to keep your child safe when they are using a computer and the internet.

**This session will be on Tuesday 8<sup>th</sup> February 2011 between 9am and 10am.**

The session will take place in the upper building hall and parents will be welcome to wait in the foyer of the upper building after dropping their children at school. This is a great opportunity to raise awareness of the importance of staying safe online and give you a chance to familiarise yourself with the types of things your child may be doing online and what you can do to help them stay safe.

Please complete and return the slip below to accept your place.

Miss E Thompson  
ICT Subject Leader
