

HALF TERM MULTISPORTS CAMP Fairlands Primary School

Do you love sports and games?

If so, our 2 day multisport camp is the place to be during the half term break!!!!

During the February half term Select Sports are running a fun-filled 2 day activities camp here at Fairlands Primary School. Our camp is to provide children with 2 days of fun, sports, crafts, and games, in a controlled environment, while parents are working or off out and about throughout the day. On the camp children will have the choice to take part in a wide variety of Sports, including **Football**, Hockey, Team Games, **Gymnastics**, **Street Dance**, Basketball, Tennis, **Dodgeball** and many more, including fun activities too, like a Treasure Hunt, learning magic, and FAIRLANDS GOT TALENT shows. Some of you might have attended Select Sports clubs at the school before, as highlighted above. Prizes and certificates will be awarded to every child who attends, and we will have a great couple of days.

The camp will run over 2 days, Tuesday 22nd and Wednesday 23rd of February, at Fairlands Primary School. The cost of the course is only **£12.50** per day and will run from 9.30am until 3.30pm on both days. Children will need indoor clothing mainly but with a coat/jumper in their bags incase we go outside. They will also need a packed lunch and plenty of drink as we will have breaks throughout the day and a longer lunch break to eat.

There are many places available on our camp, however please get your reply slips and payment back to the school office **as soon as possible** to guarantee your child's place. You will be notified when you have successfully booked a place. You can book your child on for just one day, or send them along to both days, just fill in the reply slip accordingly. Please note: Activities will be different on each day.

If your child has any medical conditions, please fill in the reply slip appropriately, and make sure they have the correct aid equipment with them as not all staff will be in School to retrieve any Child's in school medical equipment.

If you require further information, or have any questions about available spaces, please contact our company director Matt Kenneford, on 07738429323. He will be happy to help.
