## Dear Parents and Carers

LEARNING is FUN at Fairlands! Below are several reports about this half term's WOW Days – I am sure your child has told you all about them as well! It is always wonderful to see how excited, enthused and engaged the children are during these events. This term, governors have been coming in to experience these enrichment days and monitor the impact on learning – one wrote 'All children were able to talk confidently about their topic and they all told me how much they love coming to school on their WOW days!' Brilliant stuff, and thank you to the teachers for coming up with such creative ideas!

I hope you all have an enjoyable half term break and look forward to seeing you all back at school for more FUN LEARNING at 8.50am on **TUESDAY, 21<sup>ST</sup> FEBRUARY**.

Robert Staples

Headteacher

## THANK YOU

Thank you this week goes to **Miss Emma Verlander**, for organising our event linked to this half term's Reaching High Target – Text Detectives.

The whole school had to solve the mystery of who had stolen a secret potion that could give you the powers to know all the answers to your homework!

After lots of reading clues and decoding texts, the children were amazed to discover that it was Mr Staples who had stolen it! He had some explaining to do, but in the end we all understood that he only took it because he wants us to do our homework properly, without taking performance-enhancing potions!!

## OPERATION JAMMIE DODGER

Year 2 had a fantastic time last week when they had the opportunity to be police officers for the day and solve the crime of the stolen Jammie Dodgers! The children had their finger prints taken, looked at the evidence, read a character description and held a line-up of the key suspects to identify the criminal. Special thanks to Mrs Nielow, the culprit, for being a fantastic sport.

## YEAR 5 & 6 H2O WOW DAY

Last Thursday Year 5 & 6 enjoyed a wonderful H<sub>2</sub>O WoW day. The children looked amazing and took part in many water related activities, including; designing their own flavoured bottled water, investigating the causes of river erosion, filtering dirty water to make it clean and painting water colours in the style of Monet. They also contributed to a year group collage of the Titanic.

## YEAR 1 SPACE VOYAGE WOW DAY

Year 1 had a fantastic day on Monday! The children had to complete a number of challenges throughout the day including: identifying translucent materials, reflecting light to zap members of the evil alien alliance, make a shadow puppet show, create an alien army and using various light sources to see objects in the dark! The children all made a fabulous effort with costumes and they applied themselves diligently to the task of saving Mr Staples. Fortunately their hard work paid off and their scientific knowledge fended off the alien alliance. But be warned: they will be back.....

## YEAR 4 MAD SCIENTIST WOW DAY

Last Thursday, Year 4 became mad scientists for the day and took part in experiments and investigations involving mixing and separating materials. They had an explosive time!

## YEAR 3 SUPERHERO WOW DAY

Year 3 had a great Superhero day today. The children looked fantastic in their costumes!

The children have been enjoying art activities – making a Gotham City skyline as well as having fun with our Superhero obstacle course and Superhero dance. Thanks to all the wonderful Superheroes, Stevenage is safe once more!

## YEAR 4 MINI-OLYMPICS

Yesterday morning, Year 4 enjoyed a session of Mini-Olympics at Stevenage Leisure Centre, organised by the Stevenage Sports Partnership. They enjoyed a variety of activities including trampolining, wall climbing, cheerleading, hockey, tennis rugby and speed stacking. The children behaved impeccably and took part enthusiastically.
