

COD. 8011

# MULTISURFACE DEGREASER

## DESCRIPTION

Multisurface degreaser

## MAIN FEATURES

Removes greasy dirt and oil residues from all surfaces.

## TECHNICAL SPECIFICATIONS

Appearance: Yellow transparent liquid

pH: 10,5 +/- 0,5

Specific weight [g/ml]: 1,020 +/- 0,020

## HOW TO USE AND DOSING

Ready to use. Apply the product on the surface, leave on for a few minutes and then rinse thoroughly with a wet cloth. Proper dosage saves costs and minimizes environmental impacts.

## PRODUCT COMPATIBILITY

When following the recommended instructions for use, it can be used on all materials commonly found in kitchens/used for manufacturing the various utensils. If in doubt, test compatibility with the materials on a small hidden part before use.

## USE & STORAGE PRECAUTIONS

The product is formulated for professional use only. Store in the original containers. Avoid extreme temperatures. For more information on use and disposal, consult the safety data sheet.

## COMPLIANCE

The surfactants contained are biodegradable according to the criteria defined by European Directive 648/2004/EC and subsequent amendments. EU Ecolabel License no. IT/020/036. The recommended dose allows you to save money and minimise the environmental impact. Limited use of hazardous substances.

## CHEMICAL COMPOSITION

See the safety data sheet for more information on the product's ingredients.
