

Professional detergent for Facility
Management: ready to use and
highly concentrated cleaners

Product catalogue

Green Life by Sanitec the new frontier of Facility Management

A clean environment is synonymous with welcome, safety and comfort, fundamental elements for anyone who lives it every day. Aware of this need and of the growing commitment of Facility Management companies towards eco-sustainable solutions, Sanitec has developed **Green Life**, a line of professional detergents that combines the **highest hygienic performance with environmental sustainability**.

KEY FEATURES

HIGH - PERFORMANCE

ENVIRONMENTALLY
RESPONSIBLE*

The result of intensive research and development, Green Life offers **ready-to-use** and **highly concentrated formulations** (with 0.5% and 2% dilution), designed to guarantee perfect cleaning results while respecting the environment.

Thanks to plant-based ingredients and active principles with high cleaning power, this range responds to the strictest quality standards.

*The **ready to use** range is Ecolabel certified and the **highly concentrated** range was developed following the Ecolabel discipline and certification is in progress.

**REDUCED CO₂
EMISSIONS:**
storage and transport
(Highly concentrated products vs RTU)

**PLANT-BASED
INGREDIENTS**

**30% RECYCLED PLASTIC
100% RECYCLABLE
PLASTIC**

Ready to use cleaners

The Ecolabel-certified Green Life ready to use products includes degreaser, glass cleaner, multipurpose and floor cleaner, bathroom and toilet descaler gel, and hand soap in liquid and mousse versions.

KEY FEATURES

Low environmental impact

Green Life products are environmentally friendly and Ecolabel certified

Efficacy

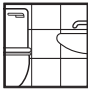

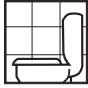

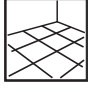

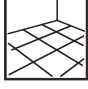

Formulations designed for excellent cleaning performance with verified claims

Clarity of use

Thanks to the presence of colour-coded labelling and liquids, each product can be associated with its area of use

Products

Colour code	Product code	Product name	Size	Application areas
	8011	Multi-surface degreaser 	 750 ml	
	8013	Glass and multipurpose detergent 	 750 ml	 
	8015	Bathroom descaler 	 750 ml	
	8020	WC Gel 	 700 ml	
	8032	Floor detergent 	 1000 ml	 
	8031	Floor detergent 	 5 L	 
	8000N	Face, hand and body soap	 5 L	 
	8001N	Hand soap	 5 L	 
	8002N	Mousse soap	 5 L	 

Highly concentrated cleaners

The Green Life range of highly concentrated detergents includes degreaser, bathroom descaler, glass and floor cleaner and disinfectant for hard surfaces, all in 1000ml bottles with integrated dosing cap.

They work with 0.5% use dilutions for daily cleaning and 2% for stubborn dirt.

Highly concentrated cleaners do not require use of PPE at use concentration.

KEY FEATURES

Cost per usage

The highly concentrated products, with 0.5% dilution for everyday cleaning and 2% dilution for stubborn dirt, allow you to cut down the costs of purchasing, transportation and storage

Low environmental impact

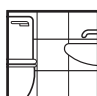

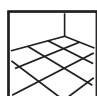

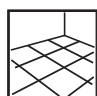

Green Life formulas are environmentally friendly and have been developed following the Ecolabel discipline and certification is in progress

Precise dosing and clarity of use

Bottle with built-in graduated cap for easy and intuitive dilution. Colour codes make it easy to identify areas of application and use

Products

Colour code	Product code	Product name	Size	Dilution and yield	Application areas
	9003SHCN	Highly concentrated degreaser		0.5% = 400 x <hr/> 2.0% = 100 x

Product yield

You can get **up to 200 L of ready to use cleaner** from 1000 ml bottle **with 0.5% dilution**, thus 400 sprayers, 500 ml size.

You can get **up to 50 L of ready to use cleaner** from 1000 ml bottle **with 2.0% dilution**, thus 100 sprayers, 500 ml size.

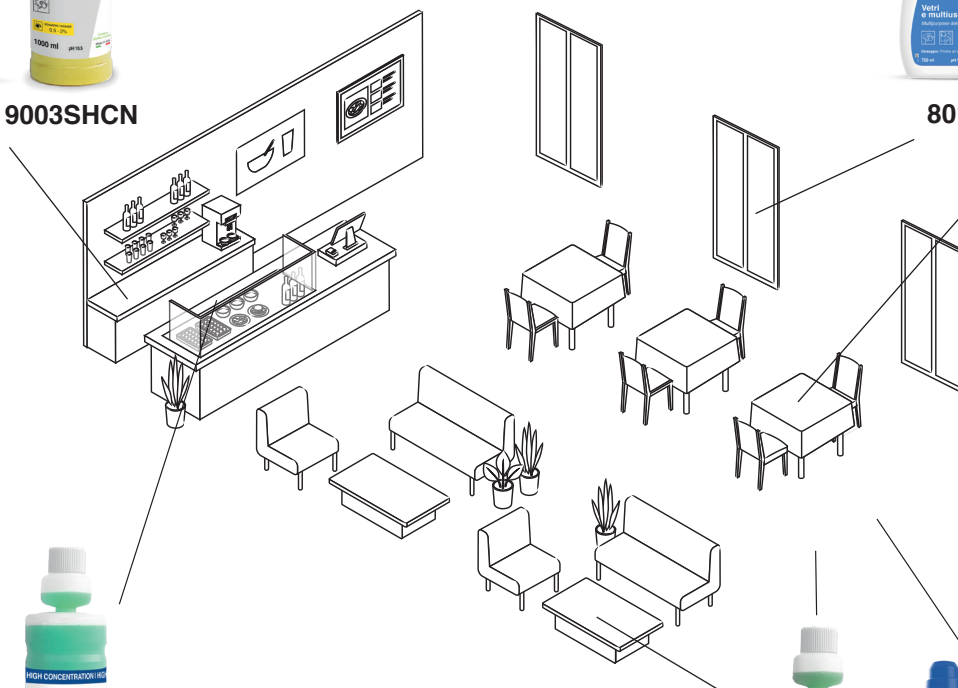

Application surfaces: common areas

8011 9003SHCN

8013 9001SHCN

9004SHC

9002SHCN

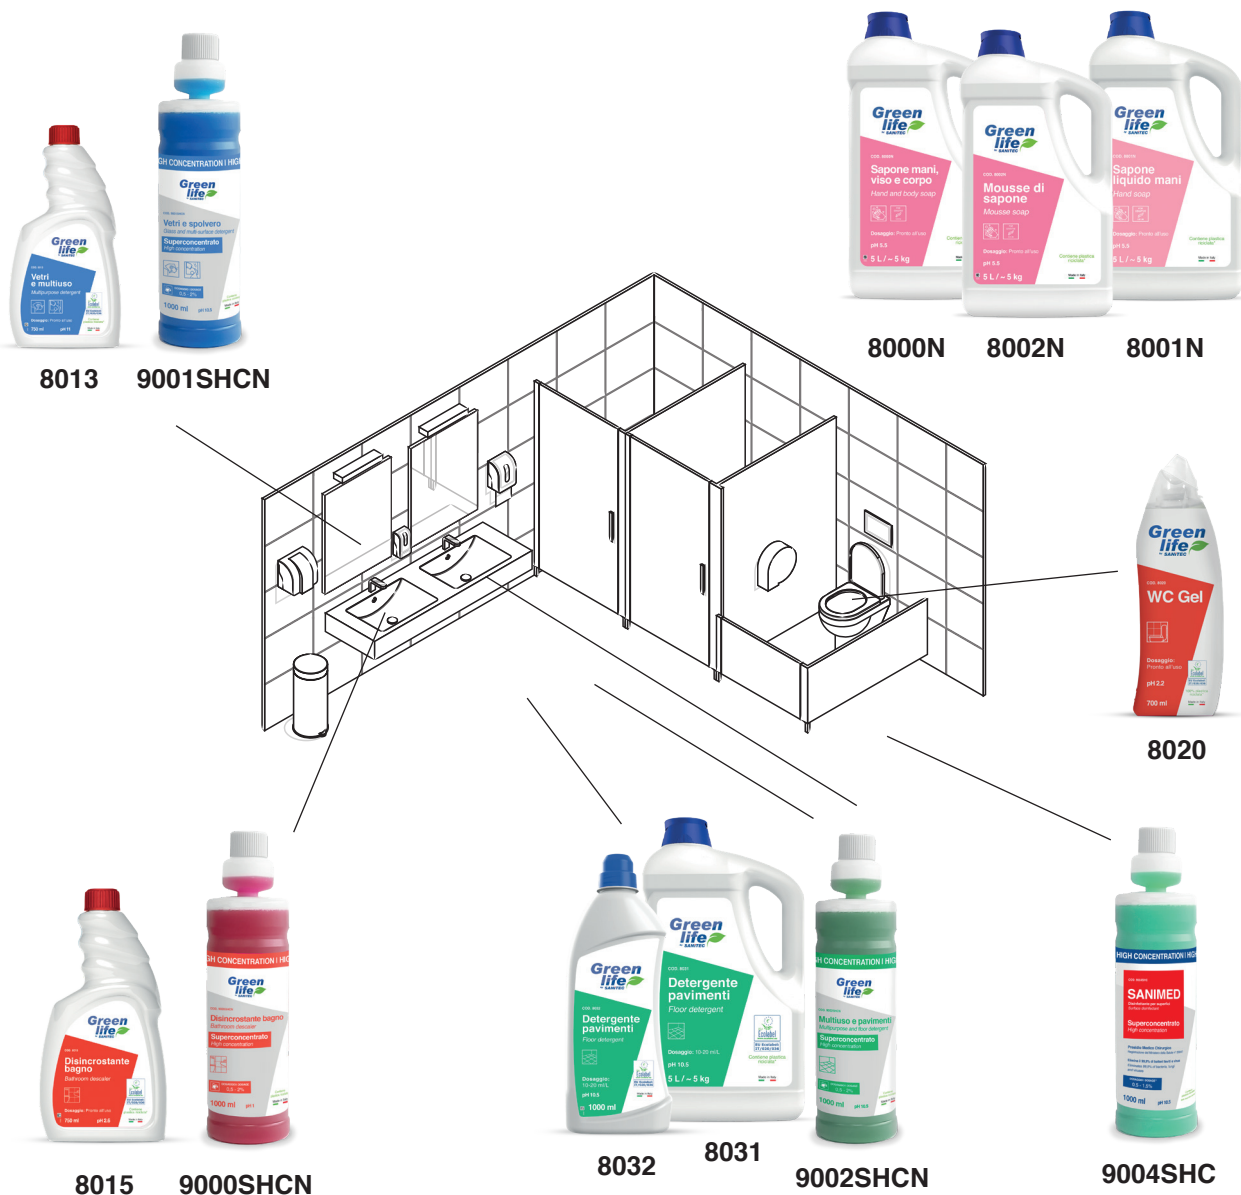

8032

8031

Application surfaces: bathroom areas

Ready to use cleaners

Multisurface degreaser

8011

Removes greasy dirt and oil residues from all surfaces.

How to use: **Ready to use.** Apply the product on the surface, leave on for a few minutes and then rinse thoroughly with a wet cloth. Proper dosage saves costs and minimizes environmental impacts.

pH 10.5

Code: 8011	Pcs x Box	Box x Plt	Layers x Plt
EAN: 8050999572455	6	105	5
Pack: 750 ml			

Each box contains #1 trigger

Glass and multipurpose

8013

Leaves surfaces shiny with no streaks.

How to use: **Ready to use.** Apply the product on the surface, evenly spread it with a cloth until it completely dries. Proper dosage saves costs and minimizes environmental impacts.

pH 11

Code: 8013	Pcs x Box	Box x Plt	Layers x Plt
EAN: 8050999572479	6	105	5
Pack: 750 ml			

Each box contains #1 trigger

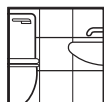

Bathroom descaler

8015

Effectively removes limescale from sinks, taps, shower cubicle and tiles.

How to use:

Ready to use. Apply the product on the surface, leave on for a few minutes and then rinse thoroughly with a wet cloth. Proper dosage saves costs and minimizes environmental impacts.

pH 2.6

Code: 8015	Pcs x Box	Box x Plt	Layers x Plt
EAN: 8050999572493	6	105	5
Pack: 750 ml			

Each box contains #1 trigger

WC Gel

8020

Removes limescale and resistant incrustations from WC and urinals, leaving pleasant scent.

How to use:

Ready to use. Apply the product inside the WC and under the rim. Leave on for 15 minutes, scrub with brush and then flush with water to rinse. Proper dosage saves costs and minimizes environmental impacts.

pH 2.2

Code: 8020	Pcs x Box	Box x Plt	Layers x Plt
EAN: 8050999572509	8	100	5
Pack: 700 ml			

Ready to use cleaners

Floor detergent

8032
8031

Degreases and removes any kind of dirt from hard surfaces.

How to use: **Stubborn dirt: Ready to use.** Apply the product on the surface, leave on for a few minutes and then rub with a wet cloth. Rinse with water. **Daily cleaning: 10-20 ml/L.** Dilute the product following recommended dosage, apply on surfaces with cloth, mop or scrubber-dryer. Does not need to rinse. Proper dosage saves costs and minimizes environmental impacts.
