

Super-concentrated  
and ready-to-use professional  
cleaners for facility management

Product catalogue

## The new frontier in facility management

Clean locations are attractive and provide safety and wellbeing, fundamental for everyone who uses them on a daily basis. Sanitec's answer to this all-important need and the growing demand from facility management contractors for eco-sustainable solutions is **Green Life**, a professional cleaner range that combines **unbeatable hygiene** with **environmental sustainability**.

### BENEFITS

OUTSTANDING  
PERFORMANCE

ENVIRON-  
MENT-FRIENDLY\*

The outcome of intensive research and development, Green Life offers **ready-to-use** and **super-concentrated** (dilution from 0.3% to 2%) formulations developed to guarantee impeccable cleaning while protecting the environment.

With its **plant-based ingredients** and **active substances with high cleaning power**, Green Life complies with the toughest quality standards.

\*The **ready-to-use** range is Ecolabel-certified, while the **super-concentrated** range has been developed in accordance with Ecolabel rules and certification is in progress.

**LOWER CO<sub>2</sub>  
EMISSIONS:**

storage and transport  
(Super-concentrated vs RTU products)

**PLANT-BASED  
INGREDIENTS**

**30% RECYCLED PLASTIC  
100% RECYCLABLE  
PLASTIC**

# Ready-to-Use Line

The Ecolabel-certified Green Life line of ready-to-use products includes degreaser, glass/multi-purpose and floor cleaners, bathroom descaler and WC gel, and hand and body soaps in liquid and cream versions.

## FEATURES

### Low environmental impact

Green Life products are environment-friendly and Ecolabel certified

### Effective action

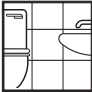

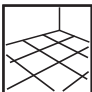

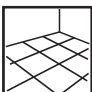

Formulations developed for excellent performance with proven claims

### Clearly identified applications

Intended uses are clearly identified by colour-coding of labels and products themselves

# Products

Colour code	SKU number	Product name	Size	Areas of use
	8011	Multi-surface degreaser 	 750 ml	
	8013	Glass and multi-purpose cleaner 	 750 ml	 
	8015	Bathroom descaler 	 750 ml	
	8020	WC Gel 	 700 ml	
	8032	Floor cleaner 	 1000 ml	  
	8031	Floor cleaner 	 5 L	  
	8000N	Hand, face and body soap	 5 L	 
	8001N	Liquid hand soap	 5 L	 
	8002N	Cream soap	 5 L	 

# Super-concentrated cleaner line

The Green Life range of super-concentrated products includes degreaser, bathroom descaler, glass and dusting cleaner, floor cleaner and disinfectant for hard surfaces, all in 1000 ml bottles with integrated dosing cap.

They are used in solutions of 0.3 - 0.5% for routine cleaning and of 2% for stubborn dirt. **No PPE is required with these products at recommended use concentrations.**

## FEATURES

### Cost

Super-concentrated products used in solutions of 0.3 - 0.5% for routine cleaning and of 2% for stubborn dirt reduce purchase, transport and storage costs

### Low environmental impact

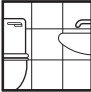

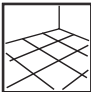

Green Life products are environment-friendly and have been developed in accordance with Ecolabel rules. Certification is in progress

### Precise dosing and clearly defined applications

Bottle with integral graduated cap for quick, easy dilution by hand. Colour codes clearly identify areas of application and use

# Ready-to-Use Line

## Multi-surface degreaser

Floral fragrance

8011

Ecolabel-certified universal degreaser for stubborn dirt.

- Removes greasy dirt and oil residues from all surfaces
- Sanitising action

**Method of use: Ready to use.** Spray straight onto the surface, leave to act for a few minutes and then rinse with a wet cloth. Use of the recommended dosage cuts costs and minimises environmental impact.

pH 10 - 11

Code: 8011	Pcs x Box	Boxes x Plt	Layers x Plt
EAN: 8050999572455	6	105	5
Size: 750 ml			

Each box contains 1 trigger

## Glass and multi-purpose cleaner

Unperfumed

8013

Ecolabel-certified multi-purpose glass, mirror and dusting cleaner.

- Leaves surfaces clean and shining
- Does not leave streaks

**Method of use: Ready to use.** Spray straight onto the surface and distribute evenly with a cloth until completely dry. Use of the recommended dosage cuts costs and minimises environmental impact.

pH 10.5 - 11.5

Code: 8013	Pcs x Box	Boxes x Plt	Layers x Plt
EAN: 8050999572479	6	105	5
Size: 750 ml			

Each box contains 1 trigger

## Bathroom descaler

Unperfumed

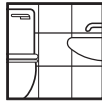

8015

**Ecolabel-certified bathroom descaler with citric acid.**

- Effectively removes limescale from sanitary fittings, washbasins, taps, shower cubicles and tiles.
- Restores shine to surfaces
- Sanitising action

**Method of use: Ready to use.** Spray straight onto the surface, leave to act for a few minutes and then rinse with a wet cloth. Use of the recommended dosage cuts costs and minimises environmental impact.

pH 2 - 3

Code: 8015	Pcs x Box	Boxes x Plt	Layers x Plt
EAN: 8050999572493			
Size: 750 ml	6	105	5

*Each box contains 1 trigger*

## WC Gel

Fresh fragrance

8020

**Ecolabel-certified descaler with citric and lactic acids for WCs and urinals.**

- Removes limescale and hard deposits from WCs and urinals
- Restores shine to surfaces
- Leaves a pleasant fragrance

**Method of use: Ready to use.** Spray inside and under the rim of the WC. Leave to act for 15 minutes, scrub with a brush then flush WC to rinse. Use of the recommended dosage cuts costs and minimises environmental impact.

pH 1.7 - 2.7

Code: 8020	Pcs x Box	Boxes x Plt	Layers x Plt
EAN: 8050999572509			
Size: 700 ml	8	100	5

# Ready-to-Use Line

## Floor cleaner

Floral fragrance

8032  
8031

Ecolabel-certified universal cleaner for all types of floors.

- Can also be used with scrubber-dryers
- For thorough removal of grease and all kinds of dirt from floors and hard surfaces
- Does not leave streaks

**Method of use: Stubborn dirt: Ready to use.** Apply to the surface for cleaning straight from the bottle, leave to act for a few minutes and then rub with a clean, damp cloth. Rinse with water. **Routine cleaning: 10 - 20 ml/L.** Dilute in water to the recommended dose and apply to the surface with a cloth, mop or scrubber-dryer. No rinsing required. Use of the recommended dosage cuts costs and minimises environmental impact.

pH 10 - 11

Code: 8032 EAN: 8050999572677 Size: 1000 ml	Pcs x Box 6	Boxes x Plt 105	Layers x Plt 5
Code: 8031 EAN: 8050999572523 Size: 5 L	Pcs x Box 2	Boxes x Plt 72	Layers x Plt 4

## Hand, face and body soap

White blossom fragrance

8000N

Liquid soap for hands, face and body.

- Leaves the skin clean and fresh
- Dermatologically tested
- Formula with neutral pH on skin

**Method of use: Ready to use.** Wet the area then apply the soap. Rub then rinse with plenty of water. Dry thoroughly.

pH 5 - 6

Code: 8000N EAN: 8050999572554 Size: 5 L	Pcs x Box 2	Boxes x Plt 72	Layers x Plt 4
--	----------------	-------------------	-------------------

## Liquid hand soap

Floral fragrance

8001N

**Liquid hand soap. Glycerin-enriched formula.**

- Moisturising action
- Leaves the skin clean and fresh. Formula with neutral pH on skin
- Dermatologically tested

**Method of use: Ready to use.** Apply the product to wet hands. Rub then rinse with water. Dry thoroughly.

pH 4 - 5

Code: 8001N	Pcs x Box	Boxes x Plt	Layers x Plt
EAN: 8050999572561	2	72	4
Size: 5 L			

## Cream soap

White blossom fragrance

8002N

**Cream hand and body soap.**

- Moisturising action
- Leaves the skin clean and fresh. Formula with neutral pH on skin
- Dermatologically tested

**Method of use: Ready to use.** Wet the area then apply the soap. Rub to lather. Rinse with water. Dry thoroughly.

## Sanimed Unperfumed

9004SHC

**DOSAGE** 0.5 - 1.5 - 5%

**Concentrated surface disinfectant.** Italian Ministry of Health Reg. no. 20047. SANIMED has a fungicidal, bactericidal and virucidal action and is effective against the gram-positive and gram-negative bacteria, fungi, moulds and enveloped and non-enveloped viruses found in homes and workplaces.

- Eliminates 99.9% of bacteria, yeasts and viruses
- Removes dirt

**Method of use:** Dilute Sanimed in water and spray or apply with a sponge or mop. Disinfect small utensils by immersion. Surfaces which may come into direct contact with food must be rinsed with drinking water after disinfection. Clean the surface then apply the product and leave to act for at least 5 minutes for bactericidal or at least 15 minutes for fungicidal and virucidal action.

### DOSAGE

<b>Routine cleaning</b>	0.5% 25 ml in 5 L
<b>Stubborn dirt and disinfection against bacteria and yeasts</b>	1.5% 75 ml in 5 L
<b>Virucidal action</b>	5% 250 ml in 5 L
