

Six Projects

LËNSTERVELO

Together with the Lënster commune, we are planning a rental bike network.

NATURPARK MELLERDALL

Pupils who analyze water and soil samples for a better understanding of the ecosystem.

REFILLABLE BOTTLES

Every LLIS S1 or 7e student gets a free refillable bottle during the first term

CAR- SHARING

Colleagues are encouraged to travel to work together to save resources.

REPAIR CAFE

Repair your broken items instead of replacing them with new ones.

SUSTAINABILITY REPRESENTATIVES

Pupils who care about a sustainable world.
