By night, he also knows how to savour the most sophisticated pleasures the city has to offer. Prestigious private views and trend-setting restaurants. Exclusive bars, VIP clubs and cutting-edge venues. Always in the know, always on the move, the city nightlife has no secrets for him.

Each evening, he steps into the extraordinary with **Bentley Momentum Night Edition**.

Bentley Momentum Night Edition: Contrasting sparkling spices with dusky woods

Crafted from the most luxurious natural materials, this exclusive fragrance meets the same exacting standards as Bentley motorcars. Inspired by the thrilling lifestyle of the **Momentum Night Edition** man, the gifted perfumer Mylène Alran has designed an intense elixir contrasting bracing spices with nocturnal woods.

In the top notes, radiant bergamot, cool nutmeg and gin-fresh pink pepper sparkle like city lights against a dusky sky. As the scent moves into the heart of the night, an elegant violet absolute brushes its powdery notes against a sleek accord of flinty vetiver and polished cedarwood. In the drydown, the scent dives deep into the mystery of rich, creamy sandalwood and dark patchouli, boosted by the earthy facets of a rare, exotic ingredient: papyrus.

An urban, sophisticated fragrance, **Bentley Momentum Night Edition** reflects the refined taste of a man driven by a quest for excellence.

Fragrance family: Spicy woods

Top notes: Bergamot, pink pepper, nutmeg, fresh green notes

Heart notes: Cedarwood, vetiver, violet absolute

Base notes: Patchouli, papyrus, amber notes

A cutting-edge design in a luxurious presentation

Inspired by the soaring, vertical skyline of a great metropolis, **Bentley Momentum**'s stylized, assertive bottle takes on a nocturnal allure with the exclusive **Night Edition**. Matte black metal plates adorn the front and back of the flacon, leaving the bevelled sides transparent. Contrasting with the bottle's bold, geometric lines, the matte black metal cap is rounded and entirely embossed with Bentley's signature knurling.

Reflecting the prestige of this Harrods exclusive, **Bentley Momentum Night Edition** is presented in a deluxe black and silver box, with the iconic "Flying B" Bentley logo and the name of the fragrance are hot-stamped in silver.
