Catene da trasporto e di accumulo / *Coveying and accumulation chains*

	Catena a perni forati <i>Hollow pins chain</i>		Catena a passo lungo a perno forato <i>Double pitch chains with hollow pins</i>
	Catena con aletta a punta <i>Chains with tip shaped attachment</i>		Catena con perni sporgenti concentrici-eccentrici <i>Chains with special extended pins</i>
	Catena con perni sporgenti <i>Chains with extended pins</i>		Attacchi per catene a rulli <i>Attachments for roller chains</i>
	Attacchi per catene a rulli <i>Attachments for roller chains</i>		Catene side-bow <i>Side-bow chains</i>
	Catene con piastre superiori <i>Chain with top plates</i>		Catena con rullo flangiato <i>Chain with flanged roller</i>
	Catena ASA60/2 con cavallotti e piastre superiori saldate <i>ASA60/2 chain with top plates</i>		Catena con piastre a forma di tacco <i>Chain with crescent shaped top plates</i>
	Catena biplanare con piastre da trasporto a forma di tacco <i>Biplanar chain with crescent shaped top plates</i>		Catene a maglie false con piastre superiori a forma di tacco <i>Offset links chain with crescent shaped top plates</i>
	Catena doppia con due file di rulli folli laterali <i>Double chain with two rows of outboard lateral rollers</i>		Catene doppie con rullo folle laterale <i>Double chains with outboard lateral rollers</i>

Catene da trasporto e di accumulo / *Coveying and accumulation chains*

	Catena tripla con rullo folle laterale <i>Triple chain with lateral carrier rollers</i>		Catena tripla con rullo portante centrale <i>Triple chain with central carrier roller</i>
	Catena tripla con rullo portante centrale ed inserto in plastica <i>Triple chain with central carrier roller and plastic device</i>		Catena quadrupla per trasporto con 2 file di rulli per accumulo <i>Four strand chain with two rows of carrier roller for accumulation</i>
	Catena con rulli sporgenti laterali e rulli centrali per accumulo <i>Accumulation chain with central rollers and outboard lateral rollers</i>		Catena semplice con rullo portante superiore <i>Chain with carrier rollers on top</i>
	Catena semplice con 3 rulli portanti superiori <i>Chain with 3 carrier rollers on top</i>		Catena semplice con due rulli portanti superiori <i>Chain with two carrier rollers on top</i>
	Catena doppia con due rulli portanti superiori <i>Double chain with two carrier rollers on top</i>		Catena con rulli esterni bilaterali <i>Chain with outboard rollers</i>
	Catena da trasporto-accumulo con rulli centrali <i>Accumulation chain with long central rollers</i>		Catena passo 50mm con triplo rullo superiore <i>Chain (50mm pitch) with carrier rollers on top</i>
	Catena per l'automazione dei serramenti <i>Chain for window automation</i>		Catena per legatorie <i>Chain for book binding</i>
	Catena per industria farmaceutica <i>Chain for pharmacy industry</i>		Catena per trasporto tubi <i>Tubes transport chain</i>
