\*This is the data as it currently stands. The first three columns are based on known outcomes this year at the time of writing, so the total is out of 164. The fourth and fifth columns relate to the overall UCAS cohort of 182 students. The 'gap year' data includes some students who exceeded the terms of their firm offers but have decided to reapply for entry in 2024, and some students whose outcome is currently unknown.
