- This should be used as a study guide for you. It should be adapted to reflect your extra-curricular activities and commitments outside of school.
- For Science and the Option Blocks, please fill in the subject that is relevant for you. You will need to adapt this, dependant on when your lessons are.
- Teachers will be aware of this. If you have more than one teacher for a subject, homework will be split between the teachers accordingly.
- If you are not set homework, then the homework should be used for independent study.
- At certain times of the year e.g. when completing coursework, more time may need to be allocated to one subject.
- Please use this homework timetable alongside coursework deadlines and exam information that you will be sent separately.
