WEDNESDAY	French	Maths	English	
THURSDAY	Art, DT or Music	Drama	Geography	
FRIDAY	Latin	Computing	Science	English

- This should be used as a study guide for you. It should be adapted to reflect your extra-curricular activities and commitments outside of school.
- Please adapt the split group homework to reflect your timetable.
- Science is taught separately as Biology, Chemistry and Physics. During the courses the science teachers will co-ordinate homeworks between them so that all 3 sciences can set homework.

- Teachers will be aware of this homework timetable. If you have more than one teacher for a subject, homework will be split between the teachers accordingly.
- If you are not set homework, then the homework should be used for independent study.
