Guidance

- This should be used as a study guide for you. It should be adapted to reflect your extra-curricular activities and commitments outside of school.
- The homework timetable should also be used as a guide to organise your time.
- Please delete the option blocks as appropriate, according to your timetable.
- Teachers will be aware of this. If you have more than one teacher for a subject, homework will be split between the teachers accordingly. It is your responsibility to manage the homework that you are given.
- Homework may be set on a different day, but this is your time to do it.
- Y12 students are recommended to complete four to five hours of study time per subject per week outside of their lessons – this could include time during study periods in school, or at home in the evening/weekends.
- If you are not set homework, then the 'Option Homework' should be used for independent study.
- Please use this homework timetable alongside coursework deadlines and exam information that you will be sent separately.
